## WORK EXPERIENCE

Organization : HERE Technologies

I have seven months of work experience in HERE Technologies as Spatial Data Analyst. I was there in the GTC Team. GTC stands for Ground Truth Collection, which refers to the information that is collected "on location".

Here I have to capture all the signs (i.e. features) from all possible angles (i.e. sightings) present in one single frame and categorize it respectively.

## PROJECTS

### Project 1: PORTFOLIO

Link:

<https://sujit678.github.io/prajapatisujit.github.io/>

Technologies: Angular 7, Bootstrap 4

Description: It is a career portfolio. It contains proof of skills and sample of work.

### Project 2: ONLINE CAR STORE

Team Size: 2

Technologies: Asp.net, SQL Server

Description: The aim of this project is to reduce the manual work of staff members. It is an online web application. Through a web browser the customers can search for a car of a showroom. Also they can send their details to purchase cars. Showroom owner can Insert, Update and Delete the details of cars.
